# Community Business Investment Partnership (CBIP)

Collaborative initiative with municipalities for business improvement

## What is the Community Business Investment Partnership (CBIP)?

CBIP is collaborative initiative between the Town of Three Hills and Community Futures Wild Rose to provide their local businesses with an interest free grant on loans up to \$10,000 over a three year term.

The funds accessed can be used to provide the necessary enhancements to remain competitive in today's marketplace.

## Program Objectives & Potential Project Initiatives?

- Local businesses will remain competitive in the marketplace resulting in growth and expansion.
- Strengthen relationships between businesses and their local community.
- Improve the exterior and interior of businesses.
- Purchase of equipment to increase growth or modernization.
- Technology upgrades (point of sale, e-commerce solutions, website development, etc.)
- Office space improvements.

## How to apply?

The Town of Three Hills has committed to provide access to the grant assisted program for up to three x \$10,000 loans per year until 2023.

Businesses will review the eligibility requirements and submit a completed application and project plan to Community Futures Wild Rose (CFWR). CFWR and the Town of Three Hills will review all applications and provide final acceptance.
